ANAM CARA

anam cara: "soul friend" in Irish Gaelic

FOR TARA

STOP THE BULLDOZERS! SAVE the Hill of TARA! "Heart and Soul of Ireland"

Fundraising Event to Save TARA featuring Time after Time

an award-winning film
by Mairéid Sullivan and Ben Kettlewell

"Rich, embracing and informative ... exhilarating..." Don Heckman, Los Angeles Times

"...a film so rich in meaning and so fearless in its presentation that it cannot be linked with any standard genre of filmmaking. ...extraordinary imagery... I have been to Ireland many times in my life and I live in America, but this film shows me aspects of both those places and cultures, especially in the primitive times the film celebrates, of which I was not fully aware. ...nothing less than a triumph of the eye and the imagination." T.S. Kerrigan, American-Reporter.com
